Bidders have the option to update or integrate the parameters set forth in the Bid Bulletin with the specifications provided under Section VII (Technical Specification) to include this Bid Bulletin for the amended of the ITB Number as part bidding documents.

In either case, bidders are required to state either "Comply" or "Not Comply" against each of the individual parameters of each specification indicated in the updated Section VII (Technical Specification) of the Bidding Document and/or the Bid Bulletin that was made part of the submittals.

The statement of "Comply" or "Not Comply" must be supported evidence in a Bidder's Bid and cross referenced to that evidence, when applicable.
