WHEREAS, in a meeting held last January 7, 2022, the Procurement Section (PS) acting as the BAC Secretariat, informed the BBAC that the verification of eligibility and post qualification documents of the bidders were still ongoing.

WHEREAS, the BBAC also considered that the said verification reports cannot be obtained due to the government restrictions being implemented.

WHEREAS, in the same meeting the BBAC resolved to declare the retroactive suspension of the procurement activity for the project with the details above effective January 7, 2022 to January 31, 2022 or until the implementation of other similar government restrictions is lifted, taking into consideration the following:

WHEREAS, the period for the conduct of procurement activities shall run again upon posting of the notice of resumption of procurement activities on the website of

the PE, if any, or in the absence thereof, any conspicuous space in the premises of the PE;

WHEREAS, the PE shall likewise inform the affected bidders of the resumption of procurement activities for the participation and/or compliance, as the case may be;

WHEREAS, the period of action on procurement activities shall not commence anew but rather, grants the PE the balance of the remaining period available for the conduct of procurement activities which has been tolled or suspended;

WHEREAS, in a meeting held on February 1, 2022, the Procurement Section (PS) informed the BBAC that the verification of eligibility and post-qualification documents of the bidders were already completed;
